

SC Wake End User/Dealer/Distributor Limited Warranty for Seadek Products

This Limited Warranty is made by SC Wake, a certified Seadek Fabricator. This warranty consists of what is and is not covered by warranty as well as a separate craftsman warranty (installation). By purchasing a Seadek product, the buyer accepts this warranty and acknowledges the following:

1. That the buyer has read and understands and agrees to the terms and limitations of this warranty
2. This warranty covers the first purchaser of the covered product and does not extend to subsequent purchasers.

Material Warranty

- The covered products are free from defects of material at the time of manufacturer for a period of 3 years from the date the product is shipped to the buyer or installed by SC Wake.
- Excessive fading or polymer degradation resulting in defective material.
- Delamination of the two colors
- When adhesive separates from the pad but remains stuck to sub-surface

Material Coverage does not include:

- Light amplification: Deformation, discoloration or other damage to covered product due to reflection of sunlight from reflective surfaces and refraction of sunlight through light-transmissive surfaces such as windshields or optically clear structures.
- It is the buyer's responsibility to provide assurance that any installation will not exceed Max Temp. SC Wake will not be responsible for any damage resulting from application or use of product that exceeds Max Temp.

Craftsmanship Warranty

SC Wake offers a 1-year craftsmanship Warranty for all installations done by an SC Wake installer.

Craftsmanship Warranty Covers:

- Covers the adhering of the pad to the subsurface.
- Tearing of the pad during installation by installer
